

DECLARATION OF CONFORMITY

Comtech EF Data acknowledges there is a regulatory focus on the restriction of the use of certain hazardous substances in electrical and electronic equipment pursuant to the European Union Directive 2011/65/EU (RoHS).

Comtech EF Data confirms that it has not knowingly used, and will not knowingly use any of the RoHS substances in the following products. As we do not source these substances directly, we are working closely with our own suppliers to understand the substances contained in their products. Our Purchasing Terms and Conditions reinforce this policy with our suppliers.

As a basis for the preceding confirmation, Comtech EF Data will use protocols, standards, and procedures that are consistent with the European Union Directive. Comtech EF Data shall use commercially reasonable efforts to comply with any reasonable request for information, certifications or other such similar documents relating to this directive.

Comtech EF Data is pleased to announce that it manufactures and offers the following (NOTE: 2) Satellite Modems, Modem Accessories and RF Products which are fully compliant (NOTE: 1) with the European Union Directive.
