COMTECH EF DATA EXPANDS GOVERNMENT PROGRAMS GROUP

TEMPE, Arizona, May 15, 2007 – Comtech EF Data Corporation announced today that it expanded its government programs group with the appointment of Robert Turner to vice president, government programs. Turner will manage the government programs group, which is the company's primary interface to government, military and civilian agency customers. Turner brings nearly 20 years of leadership experience in sales and marketing for service providers and telecommunications companies serving government sectors.

Prior to joining Comtech EF Data, Turner held management positions with SES New Skies, Equant, Global One and Sprint. His extensive background involves working with federal, state and local governments, civilian agencies and armed forces on telecommunications and satellite-based projects.

"We are pleased to have Robert Turner join our team," said Bob Hansen, senior vice president global sales and marketing. "His vast experience with government customers will enable us to better serve these markets."

Turner holds an MBA from the University of Maryland University College and a bachelor's degree from the University of Maryland, College Park.
