As a government contractor, Comtech EF Data supports sourcing to and developing all small business. Small Business includes the following: small disadvantaged business, women-owned small business, HUBZone small business, veteran owned small business, and service disabled small business.

We will provide maximum practicable opportunity for small business to compete for business with our company. Small business will be the preferred supplier in as many procurement actions as possible. Small businesses will be provided with reasonable assistance to assure fair and competitive pricing, ability to meet quality and technical requirements, on time delivery, and ultimate customer satisfaction.

Samantha Ham is assigned as the Small Business Liaison Officer (SBLO) for Comtech EF Data. She has my complete support and provides me with periodic updates regarding our company's percentage of small business subcontracting. Her associated small business program duties are outlined within our subcontracting plans.

Best Regards,
